Dear Mr. Sampson,

This letter responds to your September 26, 2013, Freedom of Information Act (FOIA) email request that was received in my office on October 18, 2013. The delay was due to the Federal government shutdown. The U.S. Fish and Wildlife Service (FWS) Midwest Region 3 FOIA tracking number for your request is FWS-2014-00010. You requested "All permits for the bald eagle that serves as a live mascot for Boston College in Chestnut Hill, Mass. It is cared for by Zoo New England."

In searching for your request, the Fish and Wildlife Service has found the enclosed responsive document.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. & 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Any fees that may have been associated with your request were waived in accordance with 43 CFR 2.45(a)(2).

This transmittal concludes our response to your request of documents. In accordance with our regulations (43 CFR 2.8(a)(3)), if we do not hear from you within 20 working days of the date of this letter, we will consider your FOIA request completed.

Please feel free to contact me at pat_percy@fws.gov or 612-713-5122 if you have any further questions. Thank you for your interest in the work of the U.S. Fish and Wildlife Service.

Sincerely,

Pat Percy
Region 3 FOIA Coordinator
